622.09 Own risk and solvency assessment summary report. (1) FILING WITH THE COMMISSIONER. An insurer must file with the commissioner a summary report or any combination

of reports that together contain the information described in the guidance manual applicable to the insurer and, if applicable, the insurance holding company system of which the insurer is a member as follows:

(a) Within 45 days after the date on which the final summary report is provided to the insurer’s board of directors or the appropriate committee of that board, but no more than once each year if either of the following applies:

1. The insurer is domiciled in Wisconsin and is not a member of an insurance holding company system.

2. The insurer is a member of an insurance holding company system and the commissioner is the lead state commissioner.

(b) Within 45 days after the date on which the final summary report is filed with the commissioner of the insurer’s lead state if all of the following apply:

1. The insurer is domiciled in Wisconsin.

2. The insurer is a member of an insurance holding company system for which the commissioner is not the lead state commissioner.

(2) ATTESTATION. The summary report shall include the signature of the insurer’s, or insurance holding company system’s, chief risk officer or other executive having responsibility for the oversight of the insurer’s enterprise risk management process attesting to the best of his or her belief and knowledge that the insurer applies the enterprise risk management process described in the summary report and that a copy of the summary report has been provided to the insurer’s board of directors or the appropriate committee of that board.

(3) ALTERNATE FILING. An insurer may satisfy sub. (1) by providing the most recent summary report provided by the insurer or another member of the insurance holding company system of which the insurer is a member to the commissioner of another state or to a supervisor or regulator of a jurisdiction not located in the United States or any of its territories, if that summary report provides information that is substantially comparable to the information described in the guidance manual. Any such summary report in a language other than English must be accompanied by a translation of that summary report into English.

History: 2013 a. 279.

622.11 Exemption. (1) EXEMPT INSURERS. An insurer is exempt from the requirements of this chapter, if all of the following apply:

(a) The insurer has annual direct written premium and assumed premium from unaffiliated insurers, including international direct and assumed premium but excluding premiums reinsured with the federal crop insurance corporation and federal flood program, of less than \$500,000,000.

(b) If the insurer is a member of an insurance holding company system, the insurance holding company system of which the insurer is a member has annual direct written premium and assumed premium from unaffiliated insurers, including international direct and assumed premium but excluding premiums reinsured with the federal crop insurance corporation and federal flood program, of less than \$1,000,000,000.

(2) **PARTIAL EXEMPTION.** (a) If an insurer that is a member of an insurance holding company system qualifies for exemption under sub. (1) (a), but the insurance holding company system of which the insurer is a member does not qualify for exemption under sub. (1) (b), the summary report required under s. 622.09 shall include every insurer within the insurance holding company system. An insurer may satisfy this requirement by submitting more than one summary report for any combination of insurers, provided that any combination of summary reports includes every insurer within the insurance holding company system.

(b) If an insurer that is a member of an insurance holding company system does not qualify for exemption under sub. (1) (a), but the insurance holding company system of which the insurer is a member qualifies for exemption under sub. (1) (b), the only summary report that is required under s. 622.09 is the summary report applicable to that insurer.

(3) **WAIVER.** An insurer that does not qualify for exemption under sub. (1) may apply to the commissioner for a waiver from the requirements of this chapter. In determining whether to grant the waiver, the commissioner may consider the type and volume of business written by the insurer, the ownership and organizational structure of the insurer, and any other factor the commissioner considers relevant to the insurer or insurance holding company system of which the insurer is a member. If the insurer is part of an insurance holding company system that includes insurers domiciled in more than one state, the commissioner shall coordinate with the commissioner of the lead state and with the commissioners of each of the other states in which insurer members of the insurance holding company system are domiciled in determining whether to grant the insurer's request for a waiver.

(4) **WITHDRAWAL OF EXEMPTION OR WAIVER.** Notwithstanding subs. (1) and (3), the commissioner may issue an order requiring an insurer to create and maintain a risk management framework, conduct an own risk and solvency assessment, and file a summary report if either of the following applies:

(a) The commissioner finds that the insurer's unique circumstances, including the type and volume of business written, the ownership and organizational structure, federal agency requests, or international supervisor requests, warrant withdrawal of the exemption or waiver. If the commissioner withdraws the exemption or waiver, the insurer or the insurance holding company system is subject to the requirement under s. 622.09 until the commissioner reinstates the exemption under sub. (1) or the waiver under sub. (3).

(b) The insurer has a risk-based capital company action level event, as defined in s. Ins 51.01 (4), Wis. Adm. Code, meets one or more of the standards for an insurer in hazardous financial condition as described in s. 623.11, 645.31, or 645.41, or otherwise exhibits qualities of a troubled insurer as determined by the commissioner.

(5) **COMPLIANCE AFTER LOSS OF EXEMPTION.** If an insurer no longer qualifies for an exemption under sub. (1) due to increased premium, as reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance holding company system of which the insurer is a member, the insurer shall have one year following the year in which the premium threshold is exceeded to comply with the requirements of this chapter.

multistate or global insurers and insurance holding company systems.

6. In the case of an agreement involving a 3rd-party consultant, provides for the insurer's written consent before sharing any of the insurer's information with the 3rd-party consultant.

(d) The sharing of information and documents by the commissioner under this chapter does not constitute a delegation of regulatory authority or rule making, and the commissioner is solely responsible for the administration, execution, and enforcement of the provisions of this chapter.
